### **Professional Correcting Treatment**

*This treatment is used to facilitate deep pore cleansing. During this process, galvanic current is used to create a chemical reaction that emulsifies or liquefies sebum and debris. *Experience our Collagen Facial combined with lymph-drainage. Stimulating the lymphatic system aids in the removal of waste material and excess fluids in the deeper layers of the skin. This allows healthier fluids and nutrients to enter the skin tissue, thus promoting the healing and renewal process of the skin. After the first treatment you will see an improvement in puffiness, dull complexion, blemishes, and dark under eye circles.*

**85 min – \$179.00**

### **Ultimate Hydration Treatment**

*Galvantic current is used with our Hydration Facial to penetrate the deepest layers of the skin. Recommended for all skin types with dehydration concerns. Perfect for all ages.*

**85 min – \$179.00**

### **Slimness Fusion Body Treatment**
